Adjudicator – Tiffany A. Wilson, B Mus, A.M.M.

Raised in a musical home where she was inspired to sing and play instruments from a young age, Tiffany A. Wilson carries on the multi-generational musical tradition every day. Whether she is educating young voices and little fingers at St. John's Ravenscourt private school, teaching students of all ages and skill levels in her elegant home studio, acting as a collaborative pianist at festivals and competitions, examining for the RCM or adjudicating and encouraging aspiring musicians, Ms. Wilson is true to her upbringing.

Ms. Wilson's accomplishments as a musician and educator are a product of her dedication to musical excellence. She is a voice examiner for the Royal Conservatory of Music and a certified Intermediate Specialist in piano. Ms. Wilson earned her Bachelor of Music in Vocal Performance and Theatre at the University of Manitoba Faculty of Music and acquired an A.M.M. in piano from the Western Board of Music. Further vocal studies brought her to New York and then abroad to Europe where she performed, studied, and perfected her French and Italian. She now shares her vast knowledge, experience, and passion with her students.

Following in her grandmother's footsteps, she has served as the President elect of both the Manitoba Registered Music Teachers' Association (MRMTA) and the national Canadian Federation of Music Teachers' Association (CFMTA). Her vision for both organizations lead to the implementation of new initiatives, including a digital resource library and a national online E-Festival for Registered Music Teachers across Canada. If that wasn't enough to satisfy her musical thirst, Ms. Wilson is also heavily involved in giving workshops and master classes throughout Manitoba and Ontario.

Ms. Wilson is grateful for her childhood musical indoctrination, as she has dedicated her life to creating beautiful music, inspiring musicians, and acting as an educator and mentor. Anything but traditional, Ms. Wilson has shown her hands-on approach to learning music by travelling Europe and studying with this century's masters: Mary Thomas (England), Gianni Raimondi (Italy), and Jean Girodeau (France). Her novel methods continue as her vision for the future inspires those sharing her passion of music.
